A466 Wye Valley - Redbrook

Dear Sir/Madam,

What: Road Closure for Geotechnical Monitoring Works.
Where: A466 Wye Valley, Redbrook - see overleaf for details of the exact location
When: 09:30 – 15:30 29th July 2024

On behalf of Gloucestershire County Council, we will shortly be undertaking geotechnical monitoring works on the section of A466 of the Wye Valley near Redbrook which is part of an ongoing programme of geotechnical monitoring.

This section, from the junction of the A466 and Coach Road, and extending 5km south to Bigsweir Bridge. The proposed works are due to take place on Monday 29th July 2024 between the hours of 09:30 and 15:30, during which time a full road closure of the 5km stretch, will be in force as per the below drawing. A diversion route will be maintained utilising the B4228 and A48 through Coleford and Chepstow. Access will be maintained for any residents located within the area of the road closure and for the local 69 bus route.

We ask for your cooperation and understanding during this time and apologise for any inconvenience caused.

We have planned the work so we can be in and out as quickly as possible.

We would like to take this opportunity to thank you in advance for your co-operation.

Yours sincerely

pp.
